**U.S. Probation Officer Action:** The U.S. Probation Office respectfully requests the condition of curfew without technology condition be removed. Mrs. Norton has been employed with Michael's Craft Store since prior to her release to supervision and has been promoted to a manager. All fine payments have been made monthly. Additionally, the U.S. Probation Officer has randomly made contact with Mrs. Norton at least twice a week virtually to ensure her compliance with curfew and she has never had a violation.

Mrs. Norton's husband, Rickey Norton, has been diagnosed with Esophageal Cancer and he will be required to undergo treatments and surgeries that may require him to travel out of the state overnight. Mrs. Norton is the primary care provider for her husband.

For the above reasons, the United States Probation Officer requests the curfew condition be removed.
